Human Foosball attraction added to Walleye Weekend's lineup of fun for the whole family

Fond du Lac, Wis. (5/21/08) – Walleye Weekend 2008 will feature yet another fun-filled attraction for people of all ages. Human Foosball, brought to you by the Fond du Lac Jaycees, is set to show attendees a bouncing good time.

Human Foosball brings the popular table soccer game to life, when participants are connected to the inflatable arena by elastic bungee cords. Up to six players can compete head-to-head in a soccer-style scoring match. The playing area is enclosed on a bouncy surface, sure to provide those who play with an exciting challenge. Like regular foosball, players can only move side to side on a line. This little twist is bound to challenge participants and entertain spectators.

This exciting new attraction will be open from 3 pm to 9 pm on Friday, June 6, 10 am to 9 pm on Saturday, June 7, and 10 am to 6 pm on Sunday, June 8. Walleye Weekend is June 6, 7 and 8 at Lakeside Park in Fond du Lac. The festival is free to the public and is brought to you by Mercury Marine, Charter Communications, Pepsi Americas, K107.1 FM, Michels Corporation, Bass Pro Shops and Miller Lite.

Fond du Lac Festivals, Inc. is a non-profit organization founded in 1983 with a mission to direct, promote, and support festivals and special events that showcase the Fond du Lac area community.

The organization, with a great deal of help and support from the community, is responsible for Walleye Weekend, Light Up the City and the Taste of Fond du Lac. These events benefit more than 100 local non-profit organizations.
