The Strongman Competition, sponsored by B104.7, Gilles Frozen Custard and Natural Stone Veneers, kicks off on Saturday, June 12 at 12 p.m. with the official weigh-in. This year, events include the Conan Wheel, Stone Boat, Tire Flip, a Large Truck Pull, a Keg Relay, Pick-Up Row and Atlas Stones.

There are two weight divisions in this competition, heavyweight, 220 pounds and over, and lightweight, 220 pounds and under. First and second place will be awarded in both divisions.

“We try very hard to make this competition as safe, fun and exciting as we can for athletes and spectators,” Chris Moder, chairperson of the event, said. “This starts with the design of the events, which are geared to challenge everyone but are still achievable by all.”
